Frederick County Health Access Program

Providing Connections to Care

Ph 301-788-8592   FAX 866-430-9751

What is the Frederick County Health Access Program (FCHAP)?

In response to the growing number of uninsured residents of Frederick County who have limited access to basic preventative and specialty care services, the Frederick County Health Care Coalition has partnered with the Frederick County Health Department, Frederick Memorial Hospital, and local providers to connect low income uninsured residents with low cost health services.

Who can apply?

Frederick County residents, infants through adults, with limited family incomes (see chart below) who have no health insurance and are not eligible for public insurance programs (Medical Assistance, MCHP, etc.).

What are the benefits of FCHAP?

The program will provide enrollees with assistance in obtaining care which includes:

- Visits with a participating primary care provider or specialist for a $15 visit fee
- Limited labs, x-rays and medical diagnostic tests
- Assistance with obtaining prescription medicine
- Referrals to community resources
- Transportation assistance

What's not covered?

- Emergency Department visits/hospitalizations
- Surgeries
- Dental care
- Prenatal care
- Oncology (cancer) care

Enrollees will be assisted with applications for assistance programs which may help with the cost of care.

How do I apply?

Contact the Program Coordinator at 301-788-8592 for more information and to schedule an appointment to complete an application.

The chart below shows how much your family can earn to be eligible. Family size includes all parents/guardians and children living in your household for whom you are responsible.

Family Size	Yearly Income
1	$27,075
2	$36,425
3	$45,775
4	$55,125
5	$64,475
6	$73,825

For each additional person in household, add $9,000
